**Report a Birth**

**Reporting a birth should be the easy part.**
Our goal at Liberty Mutual Insurance is to make the benefits piece of “the Mom experience” easy and quick so you can focus on taking care of the little one … or two … or more!

**Reporting is as close as your phone.**
Report a Birth offers a convenient way for you to report the birth of your child to activate your benefits using your mobile device.

Jenny submits a maternity claim as her due date approaches. She can do it online or by phone or fax.

She learns about MyLibertyMobile and its Report a Birth functionality and creates an account using the claim number supplied when she first reported her pregnancy.

Jenny gives birth to a beautiful baby! She accesses MyLibertyMobile, answers a few simple questions, and is back to nurturing her baby in minutes.
