**NOW  
ENROLLING!**

Monday to Friday  
6 AM to 6 PM

Little Scholars Academy of California (LSAOC) offers Infant and Preschool Programs in the City of Orange, CA.

We believe strongly in the Montessori Method and philosophy of learning for children and implement these teaching techniques in our preschool classrooms. The teachers at LSAOC have the freedom to cater their teaching styles to the individual learning needs of each little scholar. Children are encouraged to learn at their own individual pace and abilities. We take pride in knowing that LSAOC is a wonderful place for your child to learn and grow.

Our head teachers are Montessori trained and certified either through the American Montessori Society (AMS) or Association Montessori International (AMI) training programs.
