

# BOOSTER

## Gas delivery at **UCI Research Park**

Welcome to **UCI Research Park!** One of the great benefits you can now enjoy as an employee is gas delivered to your car while you work!

Booster delivers competitively priced, quality gas directly to your parked car so you can skip the gas station errand. In addition to regular and premium gasoline, Booster offers windshield cleaning, tire inflation and wiper blade replacement service.

Download the Booster App to your mobile device to get started.

Enjoy 25¢ off per gallon for first 30 days with code

**BOOSTNOW101**

# BOOSTER

## How it Works

-  Download the Booster app.
-  Park at work. Open your app to request a boost.
-  Pin your car's location on a map in the app.
-  Pop your gas tank door and head inside. Booster does the rest - no keys required.
-  Booster will send a receipt.

## Why Booster?

- Free standard delivery
- Competitive, upfront prices you can compare
- High quality premium or regular gas
- Convenience you can count on

## Why Customers Love Booster

**Thank you! This is the best service offered - convenient, cost competitive & quality gas...a no brainer option.**
